Description

A triplex at 201 Walter Street Northeast in Albuquerque, New Mexico. The yellow stucco building has a high-pitched roof with three gables and a cupola, all covered in gray shingles. The cupola is over a screened porch on the corner of the building. A man stands in front of the house and looks at the camera. The woodwork is painted brown along the screened porch, the windowsills, and the gables. A stucco wall has a wooden gate along the side of the house and a low concrete wall separates the yard from the sidewalk.
